

Conferma Pay for iOS and Android

The cashless solution for business purchases

Quick Start Guide

1. Downloading

The Conferma Pay App can be downloaded for iPhone and Android devices. Click the relevant button below for your device.

2. Registering

Once downloaded, new users will need to register for the Conferma Pay App **using their corporate email address** on the registration page:

[Register for Conferma Pay >](#)

3. Troubleshooting and support

Conferma provide a full FAQs and support centre on their website, which is packed with handy tips and how to's and is kept up to date by Conferma directly.

[Visit the Conferma Pay App help page >](#)

If you would like any further support with the Conferma Pay App or any other technology provided by Business Travel Direct, please contact your Business Travel Direct team.
